QUA

HIGH STANDARD OF HYGIENE *with no-rim*

The new generation No-Rim WC pans are designed without a rim inside the bowl. This makes them easy to clean and reduces bacteria buildup.

A Qua signature on environmentally-friendly designs...

HYGIENE CHANGED IT'S FORM *with easy wash*

The built-in bidet nozzle Easy Wash offers an aesthetic appearance and ergonomic handling in wall-hung and close coupled back-to-wall models.

You can find the details of Easy Wash at the page of 62.
